5 April 1960

MEMORANDUM FOR : Security Officer, DPD

SUBJECT : OKCART Clearances and Briefings

1. The CORONA clearance and briefing system, with signed briefing statements made available to and filed at Project Headquarters, has considerable merit. Further, the designation of briefing officers by Project Headquarters at the various contractors' locations and other headquarters not handled directly by the Project Security Officer appears to be functioning well in CORONA.

2. Suggest that the OKCART clearance and briefing system be reviewed to incorporate, where applicable, the desirable features of the CORONA system. Of particular importance is the briefing or debriefing of individuals, cleared previously by Project Headquarters, by authorized briefing officers and the receipt and file of signed briefing or debriefing statements.

SIGNED

JOHN PARANGOSKY

Deputy Chief, Development Branch
DPD-ID/P
